Gentlemen:

RE: MH-11380-02

With regard to the application MH-11380-02 (EEG and Human Psychopharmacology) I am pleased to advise you that neither I nor my co-investigator, Dr. Turan M. Itil, have made any commitments or obligations contrary to the patent policies of the National Institute of Health.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
Principal Investigator
