Dear Jay,

It is a small world and your letter to the Administrator of the Department of Psychiatry was referred to me for reply.

I am pleased that you are interested in coming back to academic medicine, and I think there may be some opportunities of interest to you.

Unfortunately, your curriculum vitae is misplaced within a large file and I would request that you send me another. Would you call my office for an appointment and arrange to see me at your convenience?

I look forward to renewing our acquaintance.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
