Missouri Institute of Psychiatry,
5400 Arsenal Street,
St. Louis, Missouri 63139.

Dear Turan,

Enclosed is a copy of my seconding letter
nominating Jovan for membership in the A.C.N.P..
Please write a letter of nomination.

While you were away, I worked hard for you,
and completed my contribution to your book. I also
read Borenstein's contribution. I do not envy your
responsibility, because I disagree with many of his
comments. I think his figures are excellent, and
perhaps you should publish the report as is.

I trust your trip to Europe was uneventful.

My best regards,

Sincerely yours,

Max Fink, M.D.
