Dear Dr. Negin:

Thank you for your invitation to the 1971 Conference. Since working with Dr. Itil in St. Louis in 1963-1966, I have not maintained an active program of sleep scoring. Dr. Itil has sustained his interest, and I suggest you invite his participation. His address is Missouri Institute of Psychiatry, 5400 Arsenal Street, St. Louis, Missouri 63139.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
