Enclosed is a copy of the report of the symposium "Experimental and Clinical EEG" in Liege. Would you please make any corrections or additions which you feel necessary, and add relevant citations using the same style that I did?

The corrections and citations should be sent directly to:

Dr. G. Verdeaux
Centre psychiatrique Sainte-Anne
Laboratoire d'E.E.G.
1, rue Cabanis
75 Paris 14e
France

You must know that it was a great pleasure to participate in these sessions and I look forward to each of you visiting my laboratory when next you are in New York, hopefully immediately after the International EEG meetings in San Diego.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
