Dear Harold:

The Psychiatric Research Foundation has received in full the amount of \$7,900.00 which has been paid from Missouri's "Plan for Planning A Mental Health Program.

The first installment was received on December 5, 1964 in the amount of \$4,709.00, and the second on June 3, 1965, in the amount of \$3,191.00. I do not have a facsimile of the checks, but the invoice clearly stated that it was in payment of the contract with Dr. Gildea's program.

May I take this opportunity to remind you that the Nominating Committee report is due at the next meeting of the Foundation on October 8, 1965. This will require recommendations not only for Board members but officers as well.

I will be attending the International EEG Meetings and continuing my public relations program on behalf of the Foundation and the Institute during the next few weeks, and expect to return to St. Louis about September 15, 1965.

I trust you have had a pleasant vacation. My best regards.

Sincerely yours,

Max Fink, M.D.
Executive Director
