Rockville, Maryland 20852

Dear Jean:

We have collated all our reprints relating to diprenopline
(M-5050); copies are enclosed.

We have sent 10 ^{Gross} ~~forms~~ M-5050 to Dr. Woodard for animal
toxicology studies.

I ^{trust} ~~think~~ the reprints will be helpful.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
