Dear Dr. Castellanos:

It was kind of you to invite me to attend the Second International Seminar in Mexico City. I have been notified by Aeronaves of a ticket - thank you.

In checking the program I believe I am scheduled for December 3 or 4, and I will arrange to be there at that time.

I look forward to visiting Mexico City and I am taking this opportunity to bring my two young daughters with me. The notes do not state where the meeting is being held, nor am I clear as to hotel arrangements. For this reason, I have made arrangements with hotel Camino Real. If this is satisfactory with regard to the meeting site, please let the reservation stand. If not, may I call on you to make a more suitable reservation? I will need a room with three beds or two rooms, one single and one twin.

I look forward to seeing you about December 1. My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
