Dr. Daniel K. Freedman  
Editor, Archives of General Psychiatry  
950 East 59 Street  
Chicago, 60637

Dear Dan,

Late in April we submitted our report, "Unilateral and Bilateral ECT: Effects on Depression, Memory and the Electroencephalogram" by Abrams, et al. Is it possible to obtain the recommendations of your editorial board ?

Many thanks.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
