Dr. Max Pollack
Hillside Hospital
P. O. Box 38
Glen Oaks, New York

Dear Max:

The card lay-out for the item cards is the same as the covariance format.

I am sorry but the only output device that I have is a typewriter and it will be a monumental task to list these cards with enough spacing to be meaningful for you. Wherever you use the cards, a 1401 should be able to list them all on large sheets in a few minutes.

Sincerely yours,

Max Fink, M. D.
Director
