

73SB-643

April 27, 1973

Mr. Jonathan Fink,
Box 843,
Roberts Union,
Colby College,
Waterville, Maine 04901.

Dear Jon,

Many months ago Peter Crown was interested in doing some studies of TM as a comparison to the effects of marijuana. At that time he wrote up the notes which are enclosed and submitted the accompanying papers.

As you know, I am not enthusiastic about encouraging you in TM, but if you are reading the literature, perhaps these notes would be of some help.

Sincerely,

MF/ij
