Dr. Julius Koreni  
Department of Neurology  
New York University College of Medicine  
First Avenue and 30th Street  
New York, New York

Dear Dr. Koreni:

I have read your latest reports on programs for digital computers for medical record keeping with considerable interest. I would be grateful for reprints of these two articles when they are available, as well as the earlier of the series to which you refer.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
