Dr. Karl Rickels
Associate Professor of Psychiatry
University of Pennsylvania
203 Piersol Building
University Hospital
3400 Spruce Street
Philadelphia, Pennsylvania 19104

Dear Karl,

Enclosed is a copy of our paper from the APA. Thank you for your interest. Incidentally, the computer unit is now operational in New York and the EEG laboratory should be operational in one week. I am very pleased.

I look forward to seeing you in Montreal.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
