Dear Dr. Daly:

I regret that I will be unable to attend the Central EEG Society meetings and present the report on our work with the 1710 Computer Analysis of EEG. I have been ill and in bed since February 12, and it appears unlikely that I will be well enough to travel on the 20th.

I do not know what the custom is regarding abstracts of reports that are not presented, but I will send an abstract to your office by the end of the week and you may use it as you see fit.

Please accept my regrets.

Sincerely yours,

Max Fink, M.D.
