Dear Joe:

Thank you very much for your letter regarding Mr. James Barnes. I have the feeling that my shadow or my alter ego is operating in Nassau County, for I have left to take on my new role as Director of the Missouri Institute of Psychiatry.

Life has been quite hectic these last few months, and it is only now that Martha and I find the time to relax and look back. There are, as you know, many problems in relocating, but we are very pleased with our new home and the opportunities presented me. The children are quite well adjusted at this point in their new schools, and we are beginning to participate in community affairs once again.

On one of your trips to the West Coast I would be pleased to have you visit us to give me the opportunity to show you around my new city.

Sincerely yours,

MISSOURI INSTITUTE OF PSYCHIATRY

Max Fink, M. D.  
Director
