Dr. S. Clyde Strickland
Merck Sharp & Dohme
West Point, Pennsylvania 19486

Dear Clyde,

In Monday's mail we received an additional 2400 tablets of Cogentin. There was no packing slip nor any date on the outside wrapper, so I cannot tell which of the two supplies came first.

Many thanks and we now have more than adequate supplies.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
