Mr. Harold C. Hanke
411 N. 7th Street
St. Louis, Missouri

Dear Harold:

Enclosed is a copy of a letter from Mr. Langenberg regarding the use of the Mallinckrodt name. In view of this letter, I believe that we should not designate Dr. Lang as a Mallinckrodt Fellow. It is my belief also, that the Mallinckrodt Foundation is hereby giving us complete authority in the use of the funds. In line with this, I believe I may include the full amount in the funds of the Foundation and not keep a separate accounting. I will write to Mr. Bascom and confirm this.

Parenthetically, the University problem has been resolved in an amicable way. We have all agreed that an affiliation is impossible for the present and that we will review the problem later on this year.

Sincerely yours,

Max Fink, M. D.
Executive Director
