Dear Dr. Baird:

Thank you for your letter of June 14, and the enclosed report, which I have read with interest.

Both Dr. Ulett and myself will be in London on August 27 and 29, in Newcastle-on-Tyne on August 28, and in Birmingham from August 30 to September 3. We would appreciate an opportunity to meet with you at some time during that period. If you would indicate which city you would prefer, we can make more detailed arrangements as to exact time and place in future correspondence.

We shall be looking forward to meeting you.

Sincerely yours,

Max Fink, M. D.
