Mr. Floyd Poling  
Sales Manager  
Research Division  
Industrial Washing Machine Corp.  
Matawan, New Jersey

Dear Mr. Poling:

Thank you for your recent inquiry to Dr. Gershon. The contract, incorporating your proposal #8541-1, 2, & 3, has, as yet, not been let by the State of Missouri. It is anticipated that such a contract will be signed before the end of April. At that time, I trust the office of Mr. John Paulus would release the information of the successful bidder.

Sincerely yours,

Max Fink, M.D.  
Director
