Mrs. Helen Donovan
EEG Laboratory
Department of Neurology
550 First Avenue
New York, New York

Dear Helen,

It was a great pleasure to visit with you and to meet your charming trainees. Enclosed are application forms for appointment in the Department of Psychiatry. I would be grateful if they would complete them and I will then be able to obtain a suggestion regarding their salary.

Thank you very much for your help and please continue the training program as you see fit.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
