Mrs. Bainbridge  
Secretary to Dr. Eli Robins  
Department of Psychiatry  
Washington University School of Medicine  
St. Louis, Missouri

Dear Mrs. Bainbridge:

While I will be attending the departmental meetings regularly, I would prefer to bring my lunch with me and would request that you do not order sandwiches on my behalf.

Last year, to accommodate my teaching assignment, I received a temporary parking permit from the Barnes Hospital. Is it possible to receive such a parking permit once again for this limited use?

Thank you for your co-operation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
