St. Louis, Missouri 63130

Dear Hadley:

Following the resolution of the Board on October 15, I have taken the liberty of drafting the enclosed letter urging the Governor to support the Institute Budget. If this meets with your approval would you please send it on. If not, would you edit it and either have your secretary retype it or return it.

A supply of the new stationery for the Foundation is enclosed.

Would you kindly submit the enclosed resolution to the Southwest Bank. This resolution is the same as that in operation for the past few years.

My best regards.

Sincerely yours,

Max Fink, M.D.
Executive Director
