Dear Mort,

Thank you very much for the invitation to visit with you on November 13. I have put this in my calendar and will try to arrive about 12:15pm.

The title is fine, even if it is a bit pedantic. Perhaps a shorter title like "New Drugs in Psychosis" carries the same information in telegraphic style. Again, my thanks for your invitation.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
