Canada

Dear Paul:

Thank you very much for your inquiry. The text of that report has been in press for these past many months and has not as yet been published. I do not have any copies, therefore. I am enclosing, however, a file copy of that article. I trust that it will be helpful to you.

I do hope your new laboratories are working well.

My best regards.

Sincerely yours,

Max Fink, M. D.

Timbre

Monsieur et Cher Collègue,
Dear Sir,

Auriez-vous l'aimable obligeance de me faire parvenir un tiré-à-part de votre article :

Will you kindly send me a reprint of your article :

EEG changes on acute and chronic administration of Chlorpromazine and Imipramine.

summary of
paru dans — which appeared in: Electroenceph. Clin. Neurophysiol.
15: 133-137, 1963.

Je vous remercie et vous prie de croire, Cher Collègue, à mes sentiments distingués.

I thank you very much. — Yours truly

Paul Rajotte
