Dear John:

This is to confirm the invitation to join the ACNP Study Group on neurophysiology on January 16th and 17th at the International Inn in Washington. The sessions will be devoted to a discussion of digital computer analysis of EEG.

A copy of the program is enclosed.

I have requested the secretary to make room arrangements for you and you should receive independent confirmation either from the Inn or from Dr. Theodore Rothman, 415 North Camden Drive, Beverly Hills, California.

Sincerely yours,

Max Fink, M. D.  
Director
