Walter Knopp, M.D.
Department of Psychiatry
Ohio State University
473 West 12 Street
Columbus, Ohio 43210-1228

Dear Dr. Knopp,

I attended the ECT conference and prepared a summary of the proceedings, for publication in the News and Notes section of the new journal, CONVULSIVE THERAPY. Volume I number 1 is at the publisher's and will appear in March. I enclose a pre-publication draft of that summary for your use, as well as a copy of my report.

Sincerely yours,

Max Fink, M.D.
Editor
