Dr. H. Fraser  
USPHS Narcotic Addiction Research Center  
Lexington, Kentucky

Dear Dr. Fraser:

I have seen the announcement of a report on the study of cyclazocine which you and Dr. Rosenberg are reporting in the *International Journal of the Addictions*. We would be grateful for a reprint when such is available, as we have been planning a study of cyclazocine.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
