MEMORANDUM

To: Mr. Jurgen Krause, Associate Director of Personnel
From: Max Fink, M.D., Professor
Subject: Tuition Waiver for Peter M. Irwin, Spring 1974

Enclosed please find the Tuition Waiver form for Peter Irwin. Mr. Irwin is responsible for extensive data analyses generated by our ongoing psychiatric evaluations. He uses the computer facilities on campus for this work, and he frequently finds it necessary to modify programs and select appropriate statistical procedures. His studies in computer sciences are directly related to his work in this department and will enable him to perform his duties in a more sophisticated and precise manner.

Your prompt attention in this matter will be appreciated.
