Dear Noch:

We have received a letter from Dr. Simas indicating that you will be visiting us on September 15-16, 1963. Would you like us to make arrangements for your stay? The best motel is the Clayton Inn. We will be pleased to make a reservation for you.

The note says you will be arriving on Flight #78. Since you will be wide awake, if you would like, I should be pleased to have you visit me at my home that evening. My number is MIssion 5-4579.

Sincerely yours,

Max Fink, M. D.
Director
