Dear John,

An old friend wrote the enclosed note in response to the events in New York. I thought you would like to see it.

As a confidential note. Linda Andre, the woman who intruded so emotionally in the course, is not accepting a reasonable settlement of her malpractice suit. The lawyers called this week to say that they were preparing to go to trial; she apparently wants her day before the media rather than a reasonable resolution of her complaints.

I look forward to seeing you in New Orleans. My best regards.

Sincerely yours,

Max Fink, M.D.
