Dr. G. C. Lairy,
Hopital Henri Rousselle,
1, rue Cabanis,
75-Paris 14^e,
France.

Dear Doctor Lairy,

Enclosed is my registration for the forthcoming meeting
in Marseille.

Some months ago I submitted an abstract to Professeur
J. Cadilhac, anticipating an exhibit. As the enclosed
letter indicates, I have had to change my plans because the
exhibit is no longer feasible. I would be grateful if you
can still consider this abstract for a presentation in
September. I recognize that the deadline date of April 5th
has already passed, but I trust an exception can be made
since this abstract was actually submitted many months ago.

Trusting to your good offices,

I remain,

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
