Dr. Jerry Levine
Psychopharmacology Research Branch
National Institute of Mental Health
5454 Wisconsin
Chevy Chase, Maryland

Dear Jerry,

Enclosed is a copy of my letter to Carl Salzman, sample out-puts from our laboratory data scale, samples of our laboratory data form, and a reprint, as sent to Carl.

I look forward to visiting you and your associates on your return from Europe to discuss this program.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
