Dear Dr. Briet:

It was a pleasure meeting you in Oss. I have discussed your qualifications with the Department Chairman, and found him receptive to my suggestions. Unfortunately, your curriculum vitae (description of academic experience) has not arrived.

If you are still interested in working with us, may I suggest you send me a request for appointment, specifying the dates available, and a copy of your curriculum vitae.

My regards to Dr. Michelse.

Sincerely yours,

Max Fink, M.D.
