Dear Mr. Waldman:

I would be interested in obtaining a copy of a film aired on the Walter Cronkheit Evening News on June 4, 1971. The film was taped in my laboratories at New York Medical College by Mr. Earl Ubell.

In addition, would it be possible to obtain a copy of the film which preceded the above film of the Senate Hearings, as a member of my staff was interviewed.

We would appreciate receiving copies of the above films in order that they may become a part of our permanent files.

Please let me know the cost involved and whether or not it is possible to obtain copies of these films.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
