

July 29, 1969

Mr. David Kline
Endo Foundation
1000 Stewart Avenue
Garden City, New York 11530

Dear Mr. Kline:

It was kind of you to respond to our request so promptly. We are anxious to bring other scientists to New York to lecture to our students, and this fund will be most useful in continuing this program.

Thank you.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
