Dear Dr. Serban:

Thank you very much for your kind invitation to attend the presentation meetings of the Kittay Foundation honoring Professors Cade and Schou. It should indeed be a memorable occasion, and I regret very much that I will be unable to attend as I will be attending a meeting of the Psychiatric Research Society in St. Louis.

It was kind of you to think of me and I wish you success in the meeting.

Sincerely yours,

Max Fink, M. D.
Professor of Psychiatry
