

LSD-25

January 30, 1964

R. Bircher, M. D.
Medical Director
Sandoz Pharmaceuticals
Hanover, New Jersey

Dear Rudy:

The supply of LSD-25 has been received. Many thanks. We will begin these studies within the next few weeks, and will look forward to making some contribution to the literature.

When next you are in St. Louis, we will be pleased to have you stop by and visit our new laboratories.

Sincerely yours,

Max Fink, M. D.
Director
