Dr. Werner P. Koella
Senior Scientist
The Worcester Foundation for Experimental Biology
Shrewsbury, Massachusetts 01545

Dear Werner,

Thank you very much for your letter of August 17, suggesting that I make reservations for San Juan. I have already done so by sending in the form requested to Dr. Wittenborn. Nevertheless, I have submitted another reservation to him.

I look forward to seeing you then.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
