Dear Pete:

I want to take this opportunity to thank you for your contribution to the February 1972 issue of *Seminars in Psychiatry*. I have seen the page proofs and the issue should be out within four weeks.

As a small payment for your participation in this volume, I have asked the publisher to make available 100 reprints of this article without cost to you. You may wish to review your reprint needs with this in mind.

My best regards.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
