Sidney Merlis, M.D.
Research Division
Station H
Central Islip, New York 11722

Dear Sid:

Thank you for continuing to send your reprints. The latest on psychopathology in methadone is of special interest to us and I have sent it to Don Swanson.

I would appreciate your changing your address of record from New York Medical College to Stony Brook.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
