R. Bircher, M. D.
Medical Director
Sandoz Pharmaceuticals
Hanover, New Jersey

Dear Dr. Bircher:

The investigations with LSD are supported in part
by NIMH projects:

MH 07249 - EEG and Human Psychopharmacology

MH 08517 - Therapy Resistant Psychosis and
New Drugs

I have also asked Dr. George A. Ulett, Director of
the Division of Mental Diseases of the State of Missouri, to
send you a note regarding his approval of this project.

Sincerely yours,

Max Fink, M. D.
Director
