Dr. Keith F. Killam  
Stanford University  
School of Medicine  
Department of Pharmacology  
300 Pasteur Drive  
Palo Alto, California

Dear Keith:

I am taking this opportunity to send you a copy of a progress report regarding the instrumentation developed during the past few months in this laboratory.

I am sorry that you did not have an opportunity to visit with us during your trip through St. Louis, but look forward to an opportunity to discuss this work in greater detail in Washington.

Sincerely yours,

Max Fink, M. D.  
Director
