Dear Al,

Thank you very much for the letter of appointment. I look forward to joining your staff in late April and hope that we together can make some meaningful contributions to the treatment of the mentally ill.

There are a few problems regarding grants which I would like to discuss before you visit in February. Would it be possible for you to call me at your leisure late Tuesday afternoon or Wednesday? I will be away on Monday.

Can you confirm your visit on February 14? We have already announced your talk as "Therapy of Drug Addiction." This can be changed if it is not acceptable.

My best regards.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
