Mr. Leonard I. Weinglass
43 Bleeker Street
Newark, New Jersey

Dear Mr. Weinglass:

I have just reviewed some of my files and I am writing to inquire as to the present status of the case of Thomas Trantino. Since discussing this with you, I have had an opportunity to review this problem with some of my associates and each one found the problem an important one.

Has there been any progress in his review?

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
