Dr. Fink
Department of Pathology
Metropolitan Hospital
1901 First Avenue
New York, New York 10028-

Dear Dr. Fink:

It is obvious that we should get to know each other because as I have been receiving your calls and letters, I am sure you have been receiving mine. Would you please tell your secretary that I can be reached at 369-7900 Ext. 245 or 360-6746.

I would appreciate your calling my secretary and telling her where your calls can be put.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
