Dr. Fritz A. Freyhan
St. Vincent's Hospital
153 West 11th St.
New York, New York 10011

Dear Fritz,

Enclosed are the IBM order sheets for the NYMC and the St. Vincent Hospital 1800 computers. The differences in speed and in memory may be significant for programming, and form the basis for our recommendation that programming changes will take some effort.

Sincerely yours,

Max Fink, M.D.
Professor of Psychiatry
