Dr. Donald P. Conwell  
Assistant Commissioner  
Department of Health  
Chronic Disease Services  
125 Worth Street  
New York, New York 10013

Dear Dr. Conwell:

With regard to your letter suggesting meetings of representatives in addiction research, perhaps you are unaware that Dr. Dole holds such meetings at monthly intervals. You may write to him at Rockefeller University or to Dr. Doris Clouet at the New York State Research Institute for Neurochemistry and Drug Addiction, Ward's Island, New York 10035.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
