Rudy Bircher, M.D.  
Medical Director  
Sandoz Pharmaceuticals  
Hanover, New Jersey

Dear Rudy:

Thank you for your letter of September 14th. I look forward to meeting Dr. Henze on the 23rd, or the 24th of September. I believe that George Ulett will be in out-state Missouri during those days, and Dr. Itil is on his holidays in Europe. However, the rest of my staff are here and we will be pleased to show Dr. Henze our program and the plans we have for our collaborative studies.

I will be at home that evening, (Mission 5-4579) and will be pleased to meet with him, either at home or in the city.

I look forward to hearing from Dr. Henze and hope that you, also, will have an opportunity to visit with us soon.

Sincerely yours,

Max Fink, M.D.  
Director
