Dr. J. F. Remarque, Vice President  
Elsevier Publishing Company  
P. O. Box 211  
Amsterdam, The Netherlands

Dear Dr. Remarque,

I believe a copy of *Anticholinergic Drugs*, Volume 28, *Progress in Brain Research*, should be sent to each of the senior authors, notably Drs. Wikler, White, Himwich, Votava Carlton, Herz, Vojtechovsky, Longo, Domino, Ilyutchenok, Bures and Itil.

For this reason I would be grateful if you would arrange to send one to each of the senior contributors listed with a note: "With the compliments and thanks of the editors."

In addition, please send me three more copies and bill me for 15 copies.

Thank you very much for your cooperation.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
