Dr. Paul T. Wilson  
Project Director for Information Retrieval  
American Psychiatric Association  
1700 - 18th Street, N.W.  
Washington, D.C.

Dear Dr. Wilson:

In response to Dr. Brosin's recent editorial, this laboratory indicated its interest in the problems of information retrieval. He has suggested that I write directly to you and send you the enclosed copy of a description of our information retrieval system.

We have written to him and are pleased to indicate to you that we believe your project an important one and will cooperate to the best of our ability.

Sincerely yours,

Max Fink, M.D.  
Professor of Psychiatry
